Berkhamsted Raiders CFC

Help to build on our success

Since opening in November 2010, the floodlit 3G pitch at BerkoAstro at Ashlyns School has been a resounding success. It is in regular use by Berkhamsted Raiders, local clubs and schools, the local community, a 6 a side soccer league, a Centre of Excellence for Disability Football, and Watford FC Player Development Centres for Dacorum and Bucks.

Over 1,500 children and adults use the facility every week during the season.

But what is missing? Toilets.... hot and cold running water... cover for children and parents from the elements.... tea and coffee would be nice....an indoor space for classroom training, a small changing area...

If we had these facilities to go with the pitch, we could offer so much more and enhance the experience of the people who already use the facility.

We need £155,000 to make this happen

Planning permission has been granted to transform the old garage adjacent to the pitch into a new facility containing a classroom, toilets, small changing area, and first aid and refreshment facilities. This comes at a price of £155,000.

We are already well on the way to funding this. We have a generous £50,000 donation from a local businessman; we have a £5,000 contribution from Ashlyns Schools; two of the Raiders Dads swam the Channel and raised £5,000. We are very hopeful of grant support from the Football Foundation and the Dacorum Olympic Fund.

But it's not quite enough. Now, YOU, the supporters of BerkoAstro can become part of this building... literally!.

Buy a brick for BerkoAstro

Make a donation of £25 or £50 to BerkoAstro. Your donation will be acknowledged by displaying your name or message on the new BerkoAstro facility on a premium quality engraved brick.

For just £25 a single brick can be inscribed with two rows of up to 16 characters each. Or a double brick, inscribed with up to four rows of 16 characters each can be purchased for £50.

What a long lasting and superb contribution to BerkoAstro. An opportunity not to be missed!
