Dear Mr Shapland

RE: ASHLYNS SCHOOL – FACILITY PROJECT

It was a pleasure to meet you at the recent meeting to discuss the proposed new football facilities for the school. I hope you found the meeting informative and productive.

As stated in the meeting the Hertfordshire Football Association has identified this project as a priority. It supports our latest Charter Standard Community Club, Berkhamsted Raiders Football Club and their continued excellent football development work in the community.

The Hertfordshire Football Association fully supports the aims and objectives of the project and looks forward to working with all key partners at pre-application stage.

Yours sincerely

Karl Lingham
County Development Manager
Hertfordshire Football Association
